

Dear Ascension Members,

The Ontario government has made it mandatory for all non-essential businesses to close their premises due to the COVID-19 pandemic. This includes the church office. Elisabeth, our parish administrator, will be working from home starting Wednesday. She will check the church office phone and email regularly.

Last week, members were asked to help furnish the new Youth Opportunities Unlimited shelter and were invited to drop off the smaller items (not furniture) at the church during office hours. After 1 p.m. today (Tuesday), that will not be an option. If you can't get there today, please hang onto your items while your Executive Team figures out whether we can come up with an alternative. Thanks.

The Executive Team is also working through a number of other decisions related to the building being unoccupied most of the time.

Your Executive Team

Rev. Canon June Hough, Churchwardens Mary Grant and Russ Braley, Deputy Churchwardens Sandra Coulson and Steve Holmes, Treasurer Bill McKinstry
